CLASSICAL AND MODERN COFFEE SPECIALITIES

Meinl's Café Bar with its adjoining outdoor seating area has become one of the most popular meeting spots in the city - as this is where the old Viennese art of making coffee is celebrated. On the coffee menu you will find approximately 35 different coffee recipes – from the classic Melange and Einspänner to the Kapuziner and Fiaker to the Biedermaier coffee – which our baristas will be happy to prepare for you.

Our coffee sommeliers will gladly offer advice and assistance in the selection of your desired coffee and will give you an insight into the fascinating world of this popular delicacy.

An inviting selection of croissants and tartes from the in-house patisserie promises the right accompaniment for every coffee speciality. If you are looking for a delicious refreshment during the summer you will enjoy our tempting iced coffee creations and refreshing summer drinks.

Due to the advice of our expert staff and the excellent service, a visit to Meinl's Café Bar is guaranteed to be an unforgettable coffee experience in classical and stylish atmosphere.
